Reflecting on a Year of Collaboration, Innovation, and Community Impact

As we reflect over the past year, our focus has remained steadfast on ensuring our partners understand BCI's profound community impact. We have dedicated ourselves to implementing best practices in all service and compliance matters, assessing and mitigating risks, promoting ethical processes in corporate governance, and ensuring that our development strategies are aligned with our mission. Our goal has always been to foster growth that reflects our purpose while ensuring fair and equitable treatment of all clients, patients, and employees. We are equally committed to empowering and promoting procedures that create an inclusive environment for everyone.

This year, our theme is **COLLABORATE, INNOVATE, ACCELERATE, PARTICIPATE, AND CELEBRATE**. In this report, you will find examples that highlight how we have embodied each of these five pillars.

I am continually inspired by the remarkable efforts of our Board Trustees, managers, and staff who have risen to meet the challenges of the past year with resilience and unwavering dedication to the communities we serve. Their commitment has been nothing short of extraordinary.

We continue our vital work to help our most vulnerable communities overcome barriers to care and receive life-changing services. We have partnered with others to offer housing, food, and jobs to those in need.

I am deeply grateful to our community leaders, and nonprofit partners for their exceptional contributions in addressing the needs of Okaloosa County. Your efforts have been remarkable.

Thank you for your inspiration and for joining us in building a stronger Okaloosa County together.

Bonnie R. Barlow, SHRM, SCP, SPHR
President / Chief Executive Officer

Tackling Social Challenges: Bridgeway Center's Mission in Action

Bridgeway Center fulfills its mission by tackling critical social challenges with compassionate, trauma-informed care, always preserving the dignity of every individual. This year Bridgeway Center has furthered its commitment to the community by opening a 24/7 detox center, partnering in a Post Opioid Support Team program, securing grants to combat homelessness, and collaborating on various projects to support families and individuals. The Board of Trustees is proud of the work and dedication of the employees in making these impactful strides.

Major Kevin Kirkpatrick, MS
Board Chair
